

Profile Area ICT Travel Fund 2019

The profile area “Information and Communication Technology” at RWTH Aachen University introduces a travel fund for ICT researchers. Journeys are eligible for funding if they have the potential to improve the international visibility of ICT related research at RWTH, for example by presenting ICT research on a conference. Per journey, a maximum amount of 500€ can be granted.

The respective journeys must have taken place and the travel cost reimbursement form must be sent to the central administration before 31 October 2019.

Applications can be submitted by junior RWTH researchers (up to PhD level) and need to include the following:

- A description of the journey (destination, time frame, conference, motivation for journey)
- A short CV (max one page)

Please send applications by email (attachments in PDF format) to

ict@profileareas.rwth-aachen.de

before Monday, 15 July, 2019.
